Puhi Park Workday (Base pins for 65' bases). Done! Pau!

But the field could still use some work to fill in holes, etc., which can be done with the regular division which also uses the park for games, and *Makos* and *E Ola Pono* practice there. Perhaps January 24th at 8:00 a.m. (still need to get P&R on board).

Extra Balls: Bring some extra balls to Puhi until we know how many we really need: two may not be sufficient. Three or four!

NEW BUSINESS

70s Division Opening Day (Scoreboard, balls and equipment). February 6th. New scoreboard from Ricky Ramones comes in a suitcase with wheels: "Nice!". Each team should have a strikemat (and Victor has one) to bring to games when they are the home

team for the first game (home team also provides the balls). Visiting team for the second game takes home the AED, and brings it (as the home team for the first game) to the next week's games. Victor will umpire at home; other game's home team responsible for base umpiring,

Update on 70s Division State Tournament - John Patt. Now seven slots left (*Cane Cutters* have registered). He has heard interest from several other teams.

John Patt noted he needs a seeding coordinator, to make up the schedules for the games, probably on the Monday prior to the Tournament, and notify teams. Victor will be in charge of the umpiring; scorekeeping coordinator is Jim Bullock. Anyone who scorekeeps or umpires three or more games at the Tournament gets a free lunch!
